Curtis L. Griggs, Opposer's Managing Director, consented to this request to reopen discovery and to extend the discovery and testimony dates.

This request is made in good faith and not for mere delay. The extension is necessary because Applicant's Answers to Opposer's discovery were lost in the mail or inadvertently misdirected so that Opposer received them several weeks late. The extension will allow the parties to complete discovery and then move forward with testimony.

If this extension is granted, the discovery period and trial dates will be reset as follows:

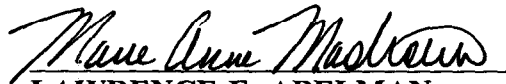

THE PERIOD FOR DISCOVERY TO CLOSE	August 30, 2002
Testimony period for plaintiff in the opposition to close (Opening thirty days prior thereto):	November 28, 2002
Testimony period for defendant in opposition and plaintiff in counterclaim to close (Opening thirty days prior thereto):	January 27, 2003
Testimony period for defendant in counterclaim and its rebuttal testimony as plaintiff in the opposition to close (Opening thirty days prior thereto):	March 28, 2003
Rebuttal testimony period for plaintiff in the counterclaim to close (Opening fifteen days prior thereto):	May 12, 2003
<u>With Briefs due as follows:</u>	
Brief for plaintiff in opposition:	July 11, 2003
Brief for defendant in the opposition and plaintiff in the counterclaim:	August 10, 2003
Brief for defendant in the counterclaim and its reply brief as plaintiff in the opposition:	September 9, 2003

Reply Brief for plaintiff in the counterclaim:

September 24, 2003

For the reasons set forth above, the Applicant respectfully requests that the Board grant the requested reopening of the discovery period and extensions of time.

Respectfully submitted,
